Final Placement Report

Batch of 2022
About NITIE

With over five decades of affiliation with the industry, NITIE has emerged as one of India’s “Ivy-League” B-Schools and has been acknowledged as a “Centre of Excellence” by the Ministry of Education in line with the IITs, IIMs and IISc as well as declared as an “Institute of National Importance”.

NITIE’s curriculum is benchmarked against the finest in the world to guarantee that it provides high-quality business education based on sound pedagogy. Founded on top management practices, it is supported by a solid fundamental with an emphasis on current and developing management challenges.

The program strives to develop a holistic outlook that views the organization as an entity and not as a composition of fragmented functional areas, grooming young managers who will not only design better procedures and systems but also manage the associated technologies successfully through the blending of classroom work and hands-on industry internship.

Final Placements Summary

The strength of any program can be evaluated by the diversity of profile that is on offer, for the candidates. The diversity of roles that were available for the students stands as a testament to the fact that NITIE has one of the popular management programs of the country. The regular recruiters at NITIE reinforced their faith in the quality of talent by opening more of their coveted roles, in addition to their regular roles on offer.

NITIE students have proven their mettle once again with their exceptional performance by bagging a total of 157 Pre-Placement Offers from their summer internship organizations and through various B-school competitions.

Students from the Class of 2022 were a perfect blend of fresh graduates and experienced professionals from diverse engineering backgrounds coming from prestigious institutes like IITs, NITs, BITS Pilani, etc. The season witnessed the participation of companies from E-Commerce, Consulting, Manufacturing, Logistics, Luxury Goods, Hospitality, Pharmaceutical, IT, BFSI, Education technology, Automobile, FMCG, and Media sectors.
