

CORRIGENDUM

Pre Requisites

Admission to PGDIM course is open to full-time graduates of all branches of engineering/technology and will also include the following streams:

1. M.Sc. (Mathematics)
2. M. Sc. (Statistics)
3. Dual Degree (Maths and Computing) Minimum 5 yrs.
4. BS./B. Tech (Economics) Minimum 4 yrs.

The candidates must have aggregate 60% marks (relaxable by 5% in case of SC/ST/PwD candidates) with a valid CAT Score for PGDIM.

Candidates appearing for the final year of Engineering/Technology can also apply, provided they qualify the above criteria for examinations appeared at the time of application and submit their result latest by September 30, 2023.
